Student Services Updates Continued

**Financial Aid**

Financial Aid will resume reviewing and awarding student files/loan applications next week

- Be sure to keep an eye on your FA portal and email for any updates or questions from financial aid staff
- Given our limited access to student files and other resources, we can’t give exact turnaround times and will process aid as quickly as we can
- We encourage all students to submit their scholarship application to the Seattle Colleges Foundation by the April 15th deadline
  - Foundation Awards are for the 20-21 school year; can be used as early as Summer quarter 2020
Auxiliary Services Updates

• **Parking permits**---those students who purchased parking permits and no longer need them please return to:

  Seattle Central College Transportation
  1701 Broadway, BE1143
  Seattle, WA 98122
  – and we will take care of refund of the full price of the permit.
  – If in-person instruction resumes in early May, and students need to park on campus, we will send an update at that time as to how to obtain a permit.

• **ORCA Cards and transit**---Currently all public transit is free, KC Metro is running much reduced routes. Passengers should board at the back door, try to limit surfaces they touch, and keep safe physical distances between themselves and other passengers. When Metro resumes charging for rides, we will send an announcement out at that time as to how students can obtain an ORCA card.
Auxiliary Services Updates (Bookstore)

- **Bookstore**—The Bookstore will **not** be open for in store pick up. Students need to order and pay for books and materials online. Update, order, and contact information can be found here:
  - website:://seattlecentral.bncollege.com
  - Email: sm232@bncollege.com

- Materials will be shipped UPS and should arrive next day if within the Seattle area—students should order now for classes next week. All shipping costs are waived for the duration of the online period. Staff are in the store 8am-4pm, Mondays-Thursdays. Already ordered books will be shipped.

- **Vouchers:** The store has now included a voucher option for online purchases for those who use a voucher or third-party provider. The tender option will read as “Voucher with Student ID.” Students should check in with their counselor first before submitting an order.

- **Students without PayPal, Credit/Debit or Voucher:** For students who need to make cash purchases, we encourage them to purchase either Barnes and Noble gifts cards or any credit-based gift cards, i.e., Visa, Mastercard or American Express, at outlets like grocery stores. Credit-based gift cards should be used as a credit card when checking-out; the gift card option is used strictly for Barnes and Noble gift cards.

- For those students who lack an address for shipping, **please email the store manager** at the email address listed above. For such students pick up will be arranged at the time with the store manager, Friday, Monday and Wednesday next week, 9-12, at the Harvard Ave Shipping/Receiving dock (1704 Harvard Ave). Students **MUST** make an appointment for pick up service.
