Return to Campus Planning

- Recommending that masks be required for all indoors regardless of vaccination status
- We will still require some kind of check-in process for all students, employees and guests
- Facilities team is working with offices to install plexiglass and create distancing as needed
- We have hand sanitizer stations and masks available
- Reminder to get parking and/or ORCA passes early

Prox Card and Restricted Entry

- Implementing new campus safety measures – beginning Fall Quarter
- Doorway controls will switch to new “smart cards”
- Cards will show name and “head and shoulders” photo
 - Email request and your photo to Geela.Greer@seattlecolleges.edu
- Faculty will be given access rights to classrooms by division or department so that they can open all classrooms they might teach in
- Students’ cards will open main entrance doorways
- One public entry to buildings
- Please get your new Prox Card by October 1, 2021

Budget Update

- Board approved continuing resolution for FY21-22 budget at 6/10 meeting and are expected to vote on final budget in September
- Planning for a 2.5% reduction as part of 3 year plan to close \$14 million deficit in Seattle Colleges budget
- Budget managers sent a tool that allows to see spending this past fiscal year and project out for FY21-22
