Hey!

Maryann Firpo 11:13 AM

The chancellor's slides in the presentation you referred to showed the college would be insolvent in April 2023. Are you saying that is not so?

Wendy Rockhill (she/her) - Seattle Central (Guest) 11:15 AM

The College has cuts we need to make to maintain solvency. We are in the process of figuring out where we can find saving, what our revenues will be, and which opportunities exist. We intend to stay open.

When the Vice President of administrative services will be fill?

When the permanent Director of facilities department will be fill?

yoshiko harden 11:15 AM

We are not planning to fill the VP of Admin services. That will be part of the administrative positions reduction.

Jeff-- can you speak to the director of facilities?

Jeff Keever 11:18 AM

Facilities will be undergoing a restructuring, not sure about timeline, but hoping for summer time for a permanent replacement.

Are students included in the district committee for random verification?

yoshiko harden (Guest) 11:17 AM

The committee isn't formed. That is not a bad idea.

Mark Gordon 11:17 AM

What are the ramifications for a student if they are not able to provide 'proof of vaccination'?

Kao LéZheo (he/him we/us) (Guest) 11:18 AM

For now, our thinking is to have holds placed on student accounts.

Carolina Forero (she/her/ella) 11:18 AM

Thank you, Dr. Harden!

yoshiko harden (Guest) 11:19 AM

Welcome! I'll recommend that we add a student.

Kao LéZheo (he/him we/us) (Guest) 11:24 AM

I'll make sure this is shared with the district committee

Paul Carter (Guest) 11:20 AM

Why not have students verify vaccination status at enrollment ?

Kao LéZheo (he/him we/us) (Guest) 11:22 AM

Good question. A couple things really, first we need SBCTC to turn on the button to confirm students have verified vaccination. There has been push back at some colleges around this. Second, we are still finalizing the process and trying to understand the staffing and capacity needs for this undertaking.

Is SCC leadership aware of unclaimed funds owed to SCC, which are currently sitting with the State Dept. of Revenue? This could help with the current budget issues.

yoshiko harden 11:23 AM

Hi Sham-- I am not aware of this. Good idea. We'll look into it.

yoshiko harden 11:25 AM

Will do.

Hisham "Sham" Othman 11:24 AM

@Yoshiko - I am happy to provide additional details later. Feel free to reach out to me.
